Age Group Applying For _____

Are you applying for (please circle) OBA / PWSA / WOBA / ISA

List of Current Qualifications and Experience:

There are many coaching courses required to coach baseball. SSMBA will be hosting a number of them to help our coaches become certified without the inconvenience of significant travel. However, you may be required to look for credits elsewhere. Assistant coaches also need credentials although they are not as significant as the requirements for head coaches.

A current **Police Record Check** is also required before a coach can take on coaching responsibilities. This can be obtained from the Saugeen Shores Police. SSMBA has a letter that we provide for this purpose.
